**50** years ago...

MICO sparked a revolution. The rest is history. One of the world's largest manufacturers of Fuel Injection Equipment, MICO products are the choice of most diesel engine manufacturers in India. And MICO's vast product portfolio comprises Fuel Injection Equipment, Spark Plugs, Auto Electricals, Special Purpose Machines, Hydraulic Gear Pumps, Electric Power Tools, Automotive Accessories, Packaging Machines and Blaupunkt Car Audio Systems. Committed to providing the very best to its customers, MICO has introduced BeDiK, A programme developed by Bosch, Germany, to foster higher standards of quality, innovation and customer satisfaction. Thanks to world-renowned Bosch technology, MICO is driving the Indian automotive industry forward.
